Dear Parents/Carers

From time to time class teachers will organise local trips with the children. These might include outings such as walking to the beach for geography field work or trips to Southchurch Park. The school requires written permission from parents/carers to take children on trips and without this your child would be unable to take part.

These visits form an important part of the curriculum and are a great way to bring the children’s learning to life.

Separate permission slips will be sent home for other visits which are outside the local area or those which require a contribution to cover costs.

Please sign the permission slip below and return it to your child’s class teacher. If the slip is not returned to the school, your child will be unable to take part in local school visits.

Yours sincerely

Miss D Henley
